

PROJECT SPOTLIGHT

Glowrey Catholic Primary School

Industry : **Education Sector**

Location : **Wollert, VIC.**

Stakeholders:

Architect:	Baldasso Cortese
Electrical Engineer:	Waterman Group
Electrical Contractor:	Mellor Electrical Group

BACKGROUND

Working hand in hand with Baldasso Cortese Architects, Mellor Electrical Group, and Waterman Group, mLight delivered a creative luminaire solution for Glowrey Catholic Primary School. In the design process, the challenge was to provide a unique colour and shape that complemented the overall look of the school's classrooms and collaborative zone. The design intends to create a quirky result that promotes comfort and boosts productivity and creativity for the students.

OUR SOLUTION

The Swerve 76, with its custom French blue finish, chosen from our wide range of powder coat options, helps deliver on the design by mirroring the carpet below and expressing a stylish lighting statement. Our joiner plates ensure zero light leakage and a continuous uniform light output. Overall, our Swerve 76 delivers an ideal lighting solution, providing the students with a fun yet functional learning environment.
